

New Executive Secretary Announced

Friday, 20 March 2020 22:23 - Last Updated Friday, 20 March 2020 22:27

The North American Laser Class Association executive committee is very pleased to announce the appointment of Vancouver's Isabella Bertold as our new Executive Secretary.

Some of you will recognize Isabella's name from past regatta results, and for those that don't, read-on to learn more about her.

Isabella grew up dinghy racing in Vancouver, BC and spent the past 16 years on the Canadian National Laser Radial Team. She competed at ISAF Youth Worlds, multiple ILCA World Championships, and is a multiple medalist at World Sailing (ISAF) events. She was also awarded the Canadian Female Sailor of the Year Award multiple times throughout her career.

Isabella is an advocate for gender equality in sport and business, co-founding a women's professional cycling team and actively mentoring Vancouver based female entrepreneurs. A finance and entrepreneurship graduate from the Sauder School of Business, Isabella is looking forward to building upon the excellent foundation established by Sherri Campbell and Jerelyn Biehl to try to grow the class in North America, and enhancing youth, high performance and masters participation across all three of our rig sizes.

Welcome aboard, Isabella!

Andy Roy
NA Class Chairman (on behalf of the entire NA Executive Committee)
